

A.1. A Custom Size, Simple 'Scroll Header'

```
***                                     ***
***                                     ***
*****                               *****
*   *****                         *
*   *                               *   *
*   *                               *   *
*   *   I'm                         *   *
*   *                               *   *
*   *   is                           *   *
*   *                               *   *
*   *                               *   *
*   *                               *   *
*   *   . .                           *   *
*   *   .                             *   *
*   *   It                             *   *
*   *                               *   *
*   *****                         *
*****                               *****
***                                     ***
***                                     ***
```

A.2. A Custom Size, Colored, Center-Aligned 'Scroll Header'
